Edyta brings a mix of professionalism, warmth, and international know-how to her work. What she enjoys most is helping clients understand their finances and feel confident about making smart decisions with their money.

Edyta joined Chase Buchanan after nearly eight years with an international financial advisory firm where she began as an administrator and progressed to Paraplanner and Financial Adviser. During that time, she built a strong track record helping people manage the financial side of living and investing across borders.

Her focus is on giving personalised advice to expats and people who move around internationally, making sure they have a clear plan to reach their long-term financial goals — whether that's related to retirement, estate planning, or investment planning.

Edyta has a Master's Degree in Economics, a Level 4 Investment Advice Diploma from the Chartered Institute for Securities & Investment, and recently earned her CySEC Advanced Certification, which qualifies her to work with firms regulated under Cypriot law. This certification has deepened her understanding of cross-border financial regulations and enhanced her ability to develop effective strategies for international clients.

Edyta speaks Polish and English fluently and is currently learning Spanish and Dutch to better connect with clients from all over the world. When she's not working, you'll find her outdoors with her family—swimming, skiing, or hiking—she loves to stay active and explore.

WHAT OUR CLIENTS HAVE TO SAY

S Robertson.

I wish to formally record my sincere thanks to you and your colleagues at Chase Buchanan for your assistance over the past 12 months. The professional way in which you have dealt with the issues that were troubling me has been much appreciated. The level of comfort you have engendered has far exceeded my expectations to the extent that I am once again able to relax and enjoy life! I only wish I had found you earlier – thanks once again.

Mr Rigby

Just wanted to let you know that I am incredibly happy with the Portfolio Update you sent me recently. I can honestly say that my portfolio has made more profit in 3 months with you than 5 years with my previous company.

Keep up the good work.

“I am very happy with the service provided by Chase Buchanan. They keep me regularly informed and I would recommend them to others.”
